

Dear Parent/Guardian:

Your school has a health clinic staffed by a nurse employed by the Green River District Health Department. Some of the many services provided by the staff are:

- Immunizations
- Required school exams
- Health and nutritional counseling
- First aid for injuries
- Assessment and screening for:
  - Vision
  - Hearing
  - Urinary Tract infection
  - Anemia
  - Blood pressure
  - Throat and ear infections
  - Illness

Attached is an informed consent for health services. Please **sign in ink**. In order for your child to be seen by the nurse the **consent must be signed and returned** to the health clinic. Students will not be assessed or treated if the consent has not been returned to the nurse. Included is a Notice of Privacy Practices to keep for your information.

**PLEASE READ AND SIGN IN INK THE ATTACHED CONSENT FOR SCHOOL HEALTH SERVICES AND RETURN AS SOON AS POSSIBLE.**

Thank you,

School Nurse
